

Lily Teng

With a GPA of 4.00 and an attendance rate of 95%, Lily is indeed an impressive student. Outside school, she enjoys spending time with her friends and singing karaoke.

Her secret to success? Show up to class all the time. She has a near-perfect attendance record, and she claims that it's the reason why she has been so successful at Hanson. One of her favourite teachers, Pat, has a saying that resounded to her: CTC – Come To Class!

Lily shows her dedication to studying by teaching her peers during examinations. She believes that by teaching, she can help improve her own learning – and she can help her friends as well!
